Finding the Forger By Libby Sternberg

BOOK SUMMARY

Bianca Balducci, fifteen-year-old girl sleuth is learning the hard way not to jump to conclusions. In *Finding the Forger*, the second novel in Libby Sternberg's Bianca Balducci Mystery Series, everyone is a suspect, and the crimes range from potential painting pilferers to burgeoning boyfriend and best friend betrayal.

Is the new beau of Bianca's buddy Sadie secretly stealing priceless art from the art museum and replacing it with awful fakes? Is the smooth-talking new British boy in town everything he seems? And for goodness sakes, is Doug cheating on Bianca with her best friend, Kerrie???

Bianca has a lot of mysteries to solve and much higher stakes to face in her newest novel, the follow-up to the Edgar-nominated *Uncovering Sadie's Secrets*. Clean, fun, and way hip, *Forger* offers up a great family-friendly read.
